Re: Notice dated March 9, 2006 (Berry's Creek Study Area)

Dear Mr. Tomchuk:

We are in receipt of the above notice. KEM is a very small company financially unable to hire a lawyer to represent it in this matter. Furthermore, we do not have insurance coverage.

KEM has neither the expertise nor ability to conduct a remediation investigation or feasibility study.

Our ability to provide a financial contribution is substantially limited.

KEM will comply and assist with requests for information or assistance it may be able to contribute.

We respectfully request any assistance which may be available to us.

Sincerely,

Donald C. Ciota  
President
